## General Questions

### **When is The Museum open?**

We are open Monday-Sunday from 9am – 5pm. Last admission is at 4pm. Last admission to special exhibitions is at 3:30pm. We are closed Christmas Day. During spring breaks, summers and holidays, we frequently extend or shorten our hours. Please check our website or call for up to date details.

### **When is the best time to visit?**

Visitors arriving any weekday by 10am or after 2pm or in the months of September and January will find fewer crowds.

### **Are there any free days?**

There are some days where Basic Admission is free. Please visit [http://www.fieldmuseum.org/plan\\_visit/free\\_days.htm](http://www.fieldmuseum.org/plan_visit/free_days.htm) for a complete listing of free days or call (312)665-7300 for more information. Admission charges may still apply to special exhibitions.

### **How do I get to The Field Museum?**

The Field Museum is located on Chicago's beautiful lakefront campus. Take Lake Shore Drive to the 18<sup>th</sup> Street exit. Follow Museum Campus drive and posted signs. See our website for detailed map.

### **Where can I park?**

Flat rate parking is available in various lots on the Museum Campus. If you are arriving by motorcoach, see the next column for bus specific parking.

### **How do individuals (less than 15 in a party) purchase tickets?**

You can purchase individual advance tickets by calling 1-866-FIELD-03 or by visiting our website.

### **What about Bears Game Days?**

We do not accept group reservations on Chicago Bears Game days. The NFL schedule is released in the April proceeding the annual NFL season. At that time, we will contact all groups scheduled on those days and work with the group leader to reschedule the group.

### **Is there an additional charge to view SUE the T. rex?**

No, SUE is included with the basic admission price.

## Group Questions

### **How and when do I purchase tickets for groups of 15 or more?**

Please fill out a Group Sales reservation form and fax or mail it to us or visit our web-site to fill out an on-line reservation request form. Due to the availability of certain exhibitions, we urge you to book your group as far in advance as possible. Although we can take your booking up until the week prior to your visit, we appreciate at least a month's notice. We cannot arrange docent tours or food service without at least two weeks notice. All tickets and services are subject to availability.

### **Will I receive confirmation of my group order?**

Within 2-3 days of sending in your reservation form, you will receive a group confirmation along with payment procedures and other group policies. A 50% deposit is due within 2 weeks. Final group numbers and final payment are due 2 weeks prior to visit date. Cancellation with full refund is available if made no later than 2 weeks prior to visit date.

### **How does our group check-in?**

All groups should enter through **EAST** Entrance. This entrance provides barrier free access. Please send a group leader to the Group Sales desk to check-in. Tickets are not printed for groups. If you require printed tickets, you must make your request at least 10 days in advance of your visit. A convenience fee will be charged and the tickets will be mailed to you.

### **Is there a group discount for temporary exhibitions?**

Groups of 15 or more receive discounted rates. See attached exhibition description page for details of current offerings.

### **Where can our bus park?**

Free parking is available in designated areas west of the Museum at the intersection of Roosevelt and Canal. Click [HERE](#) for motorcoach parking maps. Parking is also available for a fee at the Adler Planetarium's lot. Motorcoaches cannot stage on Solidarity Drive or the Museum drop-off areas. There is a designated turnaround at the East Entrance.

### **Where can our group enjoy lunch?**

The Field Museum is proud to offer Corner Bakery Catering on-site designed expressly for groups like yours. We also offer themed menus based on special exhibitions. See attached menu or ask for details.

**Limited Engagement Ticketed Exhibitions*****Mammoths & Mastodons: Titans of the Ice Age***  
**March 5, 2010 – September 6, 2010**

Take a journey from 1.8 million - 10,000 years ago where colossal mammals roamed Europe, Asia and North America. Towering 14 feet high, Mammoths migrated from the frozen tundra to grasslands of predators and humans. Indigenous to North America, the smaller Mastodons also marked an imposing presence on the Pleistocene landscape. Explore the lives of these mysterious animals - examining an extensive collection of fossils, touchable casts and preserved flesh!

***RoboSUE: The T. rex Experience***  
**May 26, 2010 – September 6, 2010**

Journey through a 60-million-year-old land...if you dare! Feel the piercing state of hungry *Velociraptors* as they hunt your every step. Duck when you come across a mother *Triceratops* guarding her nest of hatching eggs. And get locked into a deadly standoff with SUE the *T. rex*. Through advanced face recognition technology, these dinosaurs will react to your every move, sizing you up as friend, foe, or their next meal!

***Climate Change*****June 25, 2010 – November 28, 2010**

This exhibition explores the impact of climate change on our planet, and provides the scientific context to make sense of today's urgent headlines about global warming. Visitors will understand how climate change is affecting their lives right now, and what such change means for our immediate future and coming generations.

***Gold: Natural Treasure, Cultural Obsession***  
**October 22, 2010 – March 6, 2011**

Gold tells the fascinating story of the world's most desired metal, exploring its natural beauty, scientific value, and its power to shape history. This exhibition delves into humankind's enduring fascination with this elusive metal, looking at how people have searched for it, stolen for it, fought for it, and used it to create scientific breakthroughs.

***The Horse*****February 18, 2011 – July 4, 2011**

Horses have been racing across the landscape for more than 50 million years – much longer than our own species has existed. But once horses and humans encountered each other, our two species became powerfully linked. *The Horse* showcases spectacular fossils and cultural objects from around the world.

**Permanent Exhibitions**

The Field Museum is home to SUE, the world's largest and most complete *T. rex*! Discover *Inside Ancient Egypt*, where a re-created Egyptian tomb with 23 Egyptian mummies and 5,000 year-old hieroglyphics reside. Be awed in our *Native American Hall* or dazzled in our renovated *Grainger Halls of Gems and Hall of Jades*. Meet the famous man-eating Lions of Tsavo, or journey to the glittering Aztec empire in the *Ancient Americas Hall*. Explore our Dinosaur Hall -- *Evolving Planet* -- where giant sloths, woolly mammoths and dinosaurs roam!

**SUE**

See the world's largest, most complete, and most famous *T. rex*. This 67-million-year-old dinosaur has been heralded in the national and international media as a star.

***Evolving Planet***

Go on an awe-inspiring journey through 4 billion years of life on Earth, from single-celled organisms to towering dinosaurs and our extended human family. Unique fossils, animated videos, hands-on interactive displays, and recreated sea and landscapes help tell the compelling story of evolution—the single process that connects everything that's ever lived on Earth.

***The Ancient Americas***

Journey through 13,000 years of human ingenuity from Ice-Age mammoth hunters to the amazing empires of the Incas and Aztecs.

**Newly Added – Theater Experience**  
***Ernst & Young 3-D Theater***

This is Chicago's only completely digital 3-D theater using state-of-the-art technology. *Specially ticketed show.*

***Waking the T. rex 3D: The Story of SUE***  
**Opens May 26, 2010**

Visited by millions, the world famous *T. rex* named SUE stands guard over the halls of The Field Museum. In an exciting 3D film experience like no other, see what dinosaur life was really like for this colossal *T. rex*. Journey along with SUE as it grows from a hatchling to a 7-ton ferocious beast. Learn the amazing story of how the *T. rex* was found in the dusty badlands of South Dakota and join in a real fossil excavation with Field Museum paleontologists as they search for ancient fossils. Get face-to-face with this roaring, earthshaking, and breathtaking *T. rex* like never before.

With over 25 million artifacts in The Field Museum collections, groups often ask how to make the best use of their time. Many groups are also interested in getting an insiders perspective on how things work at the museum and unique stories about our artifacts. With these questions in mind, we've worked with our docent and curatorial staff to create the following options for your group to maximize their time here.

### **Docent Led Tours**

Based in our permanent collections, Field Museum docents will lead your group on a tour of the collections and their highlights. Sample tours include:

- ***Museum Highlights***  
Tour the Museum's extensive, world-renowned collections. Spend 45-60 minutes learning about the history of the Museum and allow our specialized docents to share their favorite secrets!
- ***Inside Ancient Egypt***  
The *Inside Ancient Egypt* exhibition spans 4,000 years of ancient Egyptian history. Explore a mastaba tomb chamber, Nile marsh and marketplace. Learn about mummification and hieroglyphs.
- ***SUE***  
Get down to the bare bones of the most complete and best preserved *T. rex* fossil ever discovered. Touchable casts of selected bones let visitors "diagnose" some of the abrasions that have been found in SUE's massive skeleton.

Ask about other tours including a **bird watching excursion** through the Museum; a **19th century meeting house from New Zealand** featuring exquisite carvings; or the rich tradition and contemporary life of the **Eskimo and Northwest Coast peoples**.

### **Docent Presentations**

If you've chosen to see a once-in-a-lifetime special exhibition, Field Museum docents will provide you with an expert introduction and exhibition overview before you enter the exhibition and then, as space permits, mingle with your group to facilitate their visit while in the exhibition to provide more insight as the group explores the special exhibition on their own.

***All docent tours and presentations are \$5 per person. One docent per 15-20 visitors is provided. Due to space constraints, group may be segmented into smaller groups***

### **Behind The Scenes Tours**

Did you know that The Field Museum houses nearly 25 million specimens and artifacts? Less than 1% of those are on display to the public!

Explore the storerooms, libraries and working laboratories that house these exquisite and unique collections during a Behind-the-Scenes Tour.

Your full day, Behind the Scenes tour experience includes --

- **Museum Favorites:** Begin your day with a tour of our Museum favorites. This docent-led tour will highlight the Museum's history, our most-loved animals and our docent's favorite secrets.
- **Behind the Scenes:** Dig deeper into the behind-the-scenes tour for a look into private collections and to see our scientists in action.
- **Lunch Break**
- **Special Exhibition Viewing**
- **Museum visit – on your own**

**Tour price starts at \$59 per person for a minimum of 25 guests and includes admission to the Museum, special exhibition admission and docent tour.**

### **Performance Opportunities and Clinic Space**

Now offering festival, performance venue, and clinic space for student groups booking through Tour Operators. Ask for more details. Performance venue sheet (sent separately) must accompany the regular group ticket order.

### **Audio Tours**

Occasionally our special exhibitions include audio tours that provide a more in-depth perspective provided in a personalized atmosphere. Hear historical background and insider tips on what not to miss in the exhibition.

Pricing varies per special exhibition.
